End Application:
Rf distribution unit
Electrical Power Source Relationship:
Operating
Input Voltage Rating:
90.0 ac pounds per hour dry single operating power rqmt and 260.0 ac pounds per hour with retaining chain single operating power rqmt
Input Frequency Rating:
47.0 hertz single operating power rqmt and 440.0 hertz single operating power rqmt
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
