NSN 6125-00-347-6803

Dynamotor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6125-00-347-6803 **Overall Height:** 3.688 inches **Overall Length:** 8.531 inches **Overall Width:** 3.500 inches **Duty Cycle:** Continuous **Current Rating Method:** No load **Tempurature Rating:** 85.0 ambient degrees celsius **Rotor Speed Rating In Rpm:** 10500.0 single no load **Current Rating In Amps:** 12.000 single input

Connection Type And Voltage Rating In Volts:

27.5 line to neutral single input

Special Features:

W/one ripple filter

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Deminitarization

No Fiig:

- -- 9-
