Overall Length:

10.500 inches

Overall Height:

2.625 inches

Overall Width:

6.750 inches

Electrical Power Source Relationship:

Operating

Fsc Application Data:

Indicator group, vertical display, communication-navigation-identification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
