Overall Length:

10.500 inches

Overall Height:

2.125 inches

Overall Width:

8.000 inches

End Application:

An/alq-184

Rectification Method:

Full on positive voltage

Special Features:

Filter included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
