Overall Length:

4.920 inches

Overall Height:

2.300 inches

Overall Width:

2.920 inches

End Application:

An/alq-101 peculiar

Output Voltage Rating:

28.0 dc volts single power output

Special Features:

Phase: three; rectifier type: self-rectifying

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
