General Description:

Battery, calciumalloy, rectifier 48v, m340 to p440v battery range, dc, protection interval 12 times, operation input, 3phase, ac, 60 hz, outside 277 to 480v

Fsc Application Data:

Scope, communication, philco corp. Part no. 6324

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
