**General Description:**

Battery, calciumalloy, rectifier 48v, m340 to p440v battery range, dc, protection interval 12 times, operation input, 3phase, ac, 60 hz, outside 277 to 480v

**Fsc Application Data:**

Scope, communication, philco corp. Part no. 6324

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
