Overall Length:

3.781 inches

Overall Height:

4.594 inches

Overall Width:

2.969 inches

End Application:

Type anspg-50

Input Voltage Rating:

115.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

605.0 dc volts single power output

Output Current Rating:

8.0 dc milliamperes single power output

Fsc Application Data:

Power supply radar set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A39900
