**Overall Length:**

3.781 inches

**Overall Height:**

4.594 inches

**Overall Width:**

2.969 inches

**End Application:**

Type anspg-50

**Input Voltage Rating:**

115.0 ac pounds per hour wet single operating power rqmt

**Output Voltage Rating:**

605.0 dc volts single power output

**Output Current Rating:**

8.0 dc milliamperes single power output

**Fsc Application Data:**

Power supply radar set

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A39900
