Overall Length:

19.000 inches

Overall Width:

3.500 inches

Component Quantity:

1 and 1

Component Controlling Agency:

Northern radio co.Inc.; northern radio co.Inc.

Component Name:

Power supply panel; automatic transfer relay

Component Identifying Number:

228 type no. And 2 model no.

Power Unit Quantity:

2

Fsc Application Data:

Power supply multiapplication

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
