Overall Length:

3.125 inches

Overall Height:

5.000 inches

Overall Width:

2.500 inches

Electrical Power Source Relationship:

Operating

Special Features:

Mounts by standard octal plug, 4.625 in. H w/o octal plug protrusion, includes two 8-32 by 0.6875 in. Lg binding head mtg screws, ripple output approx 0.35 pct, 600 v peak inverse-diode value, 750 ma maximum dc forward-diode value

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
