Overall Length:

22.375 inches

Overall Height:

11.500 inches

Overall Width:

5.375 inches

End Application:

An/arn-52/f104g

Electrical Power Source Relationship:

Operating

Input Phase:

Two single operating power rqmt

Input Voltage Rating:

115.0 ac volts single operating power rqmt

Output Voltage Rating:

6.3 ac major wet 4th power output

Input Frequency Rating:

320.0 hertz single operating power rqmt and 420.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
