**Overall Length:**

22.375 inches

**Overall Height:**

11.500 inches

**Overall Width:**

5.375 inches

**End Application:**

An/arn-52/f104g

**Electrical Power Source Relationship:**

Operating

**Input Phase:**

Two single operating power rqmt

**Input Voltage Rating:**

115.0 ac volts single operating power rqmt

**Output Voltage Rating:**

6.3 ac major wet 4th power output

**Input Frequency Rating:**

320.0 hertz single operating power rqmt and 420.0 hertz single operating power rqmt

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
