**Electrical Power Source Relationship:**

Operating

**Input Voltage Rating:**

115.0 ac pounds per hour wet single operating power rqmt

**Input Frequency Rating:**

50.0 hertz single operating power rqmt and 60.0 hertz single operating power rqmt

**Special Features:**

30 watts net power continuously and adjustable, on-off power button

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
