Electrical Power Source Relationship:

Operating

Input Voltage Rating:

115.0 ac pounds per hour wet single operating power rqmt

Input Frequency Rating:

50.0 hertz single operating power rqmt and 60.0 hertz single operating power rqmt

Special Features:

30 watts net power continuously and adjustable, on-off power button

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
