End Application:

Aas-35; used on 627221405-029

Input Voltage Rating:

40.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

210.0 dc volts single power output

Output Current Rating:

10.0 dc milliamperes single power output

Product Name:

Ac-dc transformer coupled regulated converter

Special Features:

T.O.11f50-4-2-4. The transformer is driven from a power generator module

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
