End Application:

F/15a acft

Product Name:

Discharger, inertial measurement unit battery

Reference Data And Literature:

To 1f-15a-4-6 33d-1-104

General Description:

Dimensions 13 inch length, 5.75 inch width, 3.5 inch height, transit case included, used to discharge imu battery

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
