**End Application:**

F/15a acft

**Product Name:**

Discharger, inertial measurement unit battery

**Reference Data And Literature:**

To 1f-15a-4-6 33d-1-104

**General Description:**

Dimensions 13 inch length, 5.75 inch width, 3.5 inch height, transit case included, used to discharge imu battery

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
