Input Voltage Rating:

115.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

12.0 dc volts single power output

Output Current Rating:

100.0 dc milliamperes single power output

Special Features:

Miniature encapsulated module, line regulation 0.02 pct

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
