Overall Height:

6.200 inches

Overall Width:

18.625 inches

End Application:

Central office telephone, dial; ford aerospace and communications corp; wdl div; an/ftg-31 (v)

Electrical Power Source Relationship:

Operating

Operating Ambient Temperature Range:

-0.1/+71.0 degrees celsius

Special Features:

0.1 pct line regulation; 0.1 pct load regulation; 10 mv rms nom ripple; incorporates provision for remote sensing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
