Overall Length:

6.000 inches

Overall Height:

1.790 inches

Overall Width:

4.730 inches

Electrical Power Source Relationship:

Operating

Output Voltage Rating:

15.0 dc kilovolts single power output

Output Current Rating:

80.0 dc microamperes single power output and 2100.0 dc microamperes single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
