Overall Length:

2.000 inches

Overall Height:

1.000 inches

Overall Width:

3.220 inches

Input Voltage Rating:

48.0 dc pounds per hour wet single operating power rqmt

Output Voltage Rating:

45.0 ac volts single power output

Operating Ambient Temperature Range:

-54.0/+70.0 degrees celsius

Output Waveform And Current Type:

Square wave ac single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
