

View Online at <https://aerobasegroup.com/nsn/6130-01-123-1657>

Special Features:

400 hz static transistorized inverter; 28 v dc nom input voltage; 115 v ac and/or 26 v dc nom Output voltages; 5.9 amps full load; 0.6 amps no load; monophas sine wave output; m 55 degrees c to p 71 degrees c temp range; 50, 000 ft altitude; autitude; automatic overvoltage control shuts off should output voltage exceed 130 v rms; 17.800 cm l; 12.900cm w; 7.100 cm h

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A39900
