Overall Length:

19.000 inches

Overall Height:

5.188 inches

Overall Width:

14.000 inches

Electrical Power Source Relationship:

Operating

Operating Ambient Temperature Range:

-0.1/+71.0 degrees celsius

Special Features:

Overload protection, digital monitoring meter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
