Overall Length:

6.500 inches

Overall Height:

7.000 inches

Overall Width:

4.000 inches

Electrical Power Source Relationship:

Operating

Output Voltage Rating:

21.5 dc volts single power output

Output Current Rating:

200.0 dc milliamperes single power output

Special Features:

Four-hour battery backup with automatic switching and recharging

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
