Power Supply - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6130-01-223-9169

Electrical Power Source Relationship:

Operating

Output Control Quantity:

1 single power output

Output Wattage Rating:

150.0 watts single power output

Output Connection Quantity:

2 single power output

Ventilation Design Type:

Convection

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A39900
