**Overall Width:**

17.000 inches

**Input Voltage Rating:**

110.0 ac pounds per hour dry single operating power rqmt and 123.0 ac pounds per hour with retaining chain single operating power rqmt

**Input Frequency Rating:**

380.0 hertz single operating power rqmt and 420.0 hertz single operating power rqmt

**Power Unit Quantity:**

3

**Input Connection Type:**

Connector, coaxial plug single operating power rqmt

**Input Connection Quantity:**

1 single operating power rqmt

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
