Overall Width:

17.000 inches

Input Voltage Rating:

110.0 ac pounds per hour dry single operating power rqmt and 123.0 ac pounds per hour with retaining chain single operating power rqmt

Input Frequency Rating:

380.0 hertz single operating power rqmt and 420.0 hertz single operating power rqmt

Power Unit Quantity:

3

Input Connection Type:

Connector, coaxial plug single operating power rqmt

Input Connection Quantity:

1 single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
