## NSN 6130-01-285-0294

Power Supply - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6130-01-285-0294

Overall Length:	
17.000 inches	
Overall Height:	
3.500 inches	
Overall Width:	
11.000 inches	
Electrical Power So	urce Relationship:
Operating	
Input Phase:	
Single single operatir	ng power rqmt
Input Voltage Rating	g:
105.0 ac pounds per	hour dry single operating power rqmt and 125.0 ac pounds per hour with retaining chain single operating power rqmt
Output Voltage Rati	ing:
50.0 dc volts single	power output
Input Frequency Ra	ting:
50.0 hertz single ope	erating power rqmt and 400.0 hertz single operating power rqmt
<b>Operating Ambient</b>	Tempurature Range:
-20.0/+55.0 degrees	celsius
Output Control Qua	ntity:
1 single power outpu	t
Output Control Typ	e:
Voltage adjustment s	ingle power output
Output Current Rati	ing:
5.0 dc amperes sing	le power output
Output Connection	Quantity:
2 single power outpu	t
Output Connection	Туре:
Terminal strip single	power output
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	
No	
Fiig:	
A39900
