Overall Length:

18.000 inches

Overall Height:

8.500 inches

Overall Width:

12.000 inches

End Application:

Next generation radar (nexrad)

Special Features:

This unit contains electrostatic discharge sensitive devices and must be treated in accordance with appropriate handling procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A39900
