**Overall Length:**

18.000 inches

**Overall Height:**

8.500 inches

**Overall Width:**

12.000 inches

**End Application:**

Next generation radar (nexrad)

**Special Features:**

This unit contains electrostatic discharge sensitive devices and must be treated in accordance with appropriate handling procedures

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A39900
