Overall Length:

3.000 inches

Overall Height:

0.830 inches

Overall Width:

2.580 inches

End Application:

Atc communication control switchig system an/fsc-9 (v)

Output Voltage Rating:

12.0 dc volts 1st power output and -12.0 dc volts 1st power output and 5.0 dc volts 1st power output

Specification Data:

25512-400021-001 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
