Overall Length:

4.600 inches

Overall Height:

0.705 inches

Overall Width:

2.400 inches

End Application:

Tactical command control communication central processing an/tyq-3 (v) -1

Electrical Power Source Relationship:

Operating

Output Connection Type:

Solder stud single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
