Overall Length:

11.500 inches

Overall Height:

5.000 inches

Overall Width:

2.500 inches

End Application:

Next generation radar (nexrad)

Electrical Power Source Relationship:

Operating

Ventilation Design Type:

External blower

Relationship To Similar Equipment:

Similar to p/n 511532-03 but doesnot have enough output to power a fullcardcage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
