Environmental Protection:

Fungus proof

Electrical Power Source Relationship:

Operating

Input Voltage Rating:

95.0 ac pounds per hour dry single operating power rqmt and 132.0 ac pounds per hour with retaining chain single operating power rqmt

Output Voltage Rating:

28.0 dc volts single power output

Input Frequency Rating:

47.0 hertz single operating power rqmt and 440.0 hertz single operating power rqmt

Output Wattage Rating:

380.0 watts single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
