Overall Length:

6.225 inches

Overall Height:

1.414 inches

Overall Width:

4.700 inches

End Application:

F-15 acft, std rgl inu, next assembly: p/n 34065751; used on p/n hg9234a1

Ventilation Design Type:

Ambient air

Special Features:

Module type that contains both a converter and regulator assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
