End Application:

Fp200 printer assembly eac 53559, radio shack

Input Voltage Rating:

120.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

12.0 dc volts single power output

Output Current Rating:

500.0 dc milliamperes single power output

Special Features:

Includes four adaptaplugs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
