Overall Length:

15.500 inches

Overall Width:

13.000 inches

Overall Diameter:

5.250 inches

Input Voltage Rating:

90.0 ac pounds per hour dry single operating power rqmt and 132.0 ac pounds per hour with retaining chain single operating power rqmt

Input Frequency Rating:

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

Output Wattage Rating:

85.0 watts single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
