**Overall Length:**

19.000 inches

**Overall Height:**

5.250 inches

**Overall Width:**

14.500 inches

**End Application:**

Nimitz class cvn

**Input Voltage Rating:**

117.0 ac pounds per hour dry single operating power rqmt and 260.0 ac pounds per hour with retaining chain single operating power rqmt

**Output Voltage Rating:**

24.0 dc volts 1st power output and 30.0 dc volts 1st power output13.0 dc volts 2nd power output and 20.0 dc volts 2nd power output

**Special Features:**

Change jumpers for desired input voltage; audio and video output; model no. Ps200

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
