End Application:

F-15 ais; nha p/n: 2129417-5; used on: test station, electrical 4920010094802; effectivity: installed on: u-18 to 24; usable on: u-1 through 00up

Electrical Power Source Relationship:

Operating

Relationship To Similar Equipment:

Similar item: 6130010040101

Fsc Application Data:

Test station, is specially designed, acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
