Overall Length:

13.500 inches

Overall Height:

5.000 inches

Overall Width:

2.500 inches

End Application:

An/fsq-15 (v)

Input Voltage Rating:

90.0 ac pounds per hour dry single operating power rqmt and 132.0 ac pounds per hour with retaining chain single operating power rqmt

Output Voltage Rating:

5.0 ac volts single power output

Output Wattage Rating:

250.0 watts single power output

Output Current Rating:

35.0 ac amperes single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A39900
