Overall Length:
13.500 inches
Overall Height:
5.000 inches
Overall Width:
2.500 inches
End Application:
An/fsq-15 (v)
nput Voltage Rating:
90.0 ac pounds per hour dry single operating power rqmt and 132.0 ac pounds per hour with retaining chain single operating power rqmt
Output Voltage Rating:
5.0 ac volts single power output
Output Wattage Rating:
250.0 watts single power output
Output Current Rating:
35.0 ac amperes single power output
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Filg:
439900
