End Application:

Project focus family

Installation Design:

Rack

Input Voltage Rating:

115.0 ac pounds per hour wet single operating power rqmt

Input Frequency Rating:

60.0 hertz single operating power rqmt

Output Wattage Rating:

750.0 watts single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
