Major Components:

Contains cca, in which transformer and major components are mounted; used on 6130013608245

End Application:

Used on: j-stars; next higher assembly p/n: 2351-20030-101, nsn 6130013608245; application: e8c

Special Features:

Power supply subassembly, hv power supply

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T01200
