End Application:

Automated surface observing system (asos)

Input Voltage Rating:

120.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

10.0 dc millivolts single power output

Input Frequency Rating:

60.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
