Overall Length:

8.600 inches

Overall Height:

1.370 inches

Overall Width:

2.500 inches

Input Voltage Rating:

115.0 ac pounds per hour dry single operating power rqmt and 230.0 ac pounds per hour with retaining chain single operating power rqmt

Output Voltage Rating:

28.0 dc volts single power output

Input Frequency Rating:

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
