Overall Length:

11.520 inches

End Application:

Digital test subsystem an/usm-649

Output Voltage Rating:

9.0 dc volts 3rd power output

Special Features:

350 to 1200 watt single or multiple output switcher

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
