End Application:

Defense e mail system, ups, exideelectronics intl corp

Output Voltage Rating:

800.0 ac volts single power output

Output Wattage Rating:

560.0 watts single power output

Output Current Rating:

6.7 ac volt-ampere single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
