Ac Voltage Rating:

110.0 volts

Charger Type:

Solid state semiconductor

Battery Type For Which Designed:

Nickel-cadmium

Special Features:

Battery charger for use with nicad-servox rechargeable batteries for servox electrolarynx, dual automatic battery charging console, battery recharges within 2 hours

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31600
