Overall Length:

15.800 inches

Overall Height:

9.900 inches

Overall Width:

5.600 inches

Input Voltage Rating:

120.0 ac volts single operating power rqmt

Output Voltage Rating:

120.0 ac volts single power output

Input Frequency Rating:

50.0 hertz single operating power rqmt and 60.0 hertz single operating power rqmt

Output Wattage Rating:

900.0 watts single power output

Output Current Rating:

10.4 ac amperes single power output

Battery Recovery Time:

240.0

Battery Power Supply Emergency Operating Time:

6.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
